

Making homebuying more affordable

Bank of America's Community Homeownership Commitment®

Good news for aspiring homeowners: Bank of America's Community Homeownership Commitment® is bringing together products and resources that can help modest-income borrowers buy homes. By combining down payment and closing cost programs with a low down payment mortgage, borrowers may find that a new home is within reach.

 **America's Home Grant® program**, in select markets, offers a lender credit of up to \$7,500 that can be used towards nonrecurring closing costs, like title insurance and recording fees, or to permanently buy down the interest rate. Real estate commissions or miscellaneous real estate agent fees are excluded. The funds do not require repayment.¹

 **Our Down Payment Grant program** offers a grant up to 3% of the home purchase price, or up to \$10,000, whichever is less, to be used for a down payment in select markets. Homebuyers who have not owned a home in the past three years may qualify. The grant program is available with our 3% down payment mortgage options. The funds do not require repayment.²

 **Our 3% down payment mortgage options** may be combined with grant programs. Restrictions apply.^{3,4}
