<sup>3</sup> **Preferred Rewards for Business Overall Program Rules:** The Preferred Rewards for Business program is only available to Bank of America Small Business, Merrill Small Business, and Bank of America Private Bank® Small Business clients. Clients in the eligible business categories may enroll in the program. To enroll you must have an active, eligible Bank of America business checking account, and maintain a qualifying balance of at least \$20,000 for the Gold tier; \$50,000 for the Platinum tier; or \$100,000 for the Platinum Honors tier in your combined qualifying Bank of America business accounts (such as checking, savings, certificate of deposit) and/or your Merrill business investment accounts (such as Working Capital Management Accounts, Business Investor Accounts, Delaware Business Accounts). The qualifying balance is calculated based on either (i) your average daily balance for a three calendar month period, or (ii) your current combined balance, provided that you enroll at the time you open your first eligible business checking account and satisfy the balance requirement at the end of at least one day within thirty days of opening that account. Refer to your [Business Schedule of Fees](#) for details on accounts that qualify towards the combined balance calculation and receive program benefits. Eligibility to enroll is generally available three or more business days after the end of the calendar month in which you satisfy the requirements. Benefits become effective within 30 days of your enrollment, or for new accounts within 30 days of account opening, unless we indicate otherwise. Certain benefits may be available without enrolling in the program if you satisfy balance and other requirements. Additional program information is available at: <http://bankofamerica.com/RewardsforBusiness/Preferred Rewards for Business>.
